K-2 Responsible Pet Visit : Last Tuesday students in K-2 attended the Responsible Pet presentation. Held in the MPC, students were provided with practical information about how to interact with pets, particularly dogs. The presenter, Melissa, also provided useful tips on how to care for pets. The visit featured Alec, a five year old Husky who stole the show.

Young Leaders' Day : Our school leaders, Isabella, Charlie, Hayley and Elijah, are attending Young Leaders' Day in Sydney today. Our attending students always come away from the experience brimming with inspiration and motivation after hearing the life stories of the presenters. I'm sure this year will be no exception and we are all looking forward to hearing about the day.

Tell Them From Me : Students in years 4-6 will be participating in Tell Them From Me surveys over the coming weeks. The surveys provide excellent feedback about how students feel about aspects of school life and their learning environment. Further information about the surveys will be sent home with participating students in the coming days.

Maggie and Max : Our talented musicians, Maggie and Max have been selected to perform at the TOCAL Field Day in May. Max, who is a talented guitar player, will accompany vocalist Maggie on a number of songs. The duo, simply called 'Maggie and Max' will entertain the crowd with a selection of pop favourites. In other great news, Max auditioned for a place in the Star Struck rock band on Saturday. He played two songs and I'm sure he would have impressed the panel. Max is competing for a position in the band against students in Years 10 and 11. We will find out if Max has been selected in the band on Wednesday of this week.

Drama and Dance Group : Speaking of Star Struck, our drama and dance groups have been selected to appear in the 2019 production! This is an outstanding achievement by our students who have been selected after an impressive audition. Last year our dancers performed with distinction at the showcase event and we are absolutely thrilled that our dancers will be joined by our drama team this year. Well done to all involved; our students have shown outstanding commitment to rehearsal and the selection is a fitting reward. Thanks also to our coordinating teachers, Miss Osland (drama) and Ms Strang (dance) for working with our students.

Important Dates : As we rapidly race through Term 1, it is probably timely to pencil in a few important dates to keep in mind. As mentioned, our Cross Country Carnival will be held on Thursday of Week 8, with the Zone Cross Country Carnival set down for Tuesday of Week 10. Harmony Day, where school communities celebrate the inclusivity of all cultures, will also be held during Week 8. On Thursday of Week 9, we will be holding an out of uniform day where we will invite students to bring Easter eggs to school to contribute to our Easter raffle prizes. The raffle will be drawn at our Easter Hat Parade, which is scheduled for Thursday of Week 11. The Easter weekend will take place during Week 1 of the end of Term 1 holiday break, as will ANZAC Day, which falls on Thursday of the second week. Our school will celebrate ANZAC Day when we return for the beginning of Term 2. Other important events include our Term 1 sport assembly (Monday of Week 11) and the final P&C meeting of the term, Monday of Week 10. And finally, a reminder that our Term 1 social skills reports will be sent home on Thursday of Week 11.

MORPETH PS GARDEN CLUB

Our Garden Club has commenced for 2019. We have had an excellent roll up of students each week and are excited to see the planting in our Kitchen garden taking place.

In coming weeks our students will be helping in other areas of the school gardens.

We have a Working Bee scheduled for Sunday 31st March and would love to see lots of parents attend to assist us with a long list of jobs that we have created to help beautify our wonderful school. A Skoolbag notification will be sent out this week asking for assistance ...
