Parent Online Payments (POP)

Credit/Debit Card via Morpeth Public  
School Website

## Look what's trending this week!

### Promotional Video

Our plan to create a promotional video last Thursday was thwarted by the recent inclement weather. The good news, however, is we have rescheduled the shoot to Wednesday of this week! We will attempt to capture the essence of our school, with students participating in activities in a range of curriculum areas. It is envisaged that some students will have brief speaking roles. We are looking forward to showcasing the wonderful things that are happening at our school.

### P&C Zoom Meeting Tonight

Our P&C has scheduled a zoom meeting tonight. The meeting will feature our newly elected executive and we are hopeful that a large contingent of parents / carers will join the virtual meeting. If you would like to access a link to the meeting, please contact Kasey on 0487 102 030. The meeting will begin at 7pm.

### Netball Representatives

Congratulations to Vivienne and Charlotte who were selected in Maitland Netball Association's representative teams on the weekend. Vivienne (under 12) and Charlotte (under 11) impressed selectors with their skill and determination and were rewarded with selection in their respective team. Well done Viv and Charlotte!

### Soccer Goals

Recently we purchased soccer goal posts for our playground. Our previous fixed goal posts were removed as a result of the installation of our most recent demountable classroom. Our new equipment is free standing and will allow our play areas to be used flexibly. In even better news, we have been able to purchase four goals, enough for two games! I'm sure our sports loving students will put the goals to great use!

### Kinder Orientation

Covid restrictions have impacted on many areas of school operation throughout the school year. One affected program is our Kindergarten orientation. Rather than our usual three session orientation, this year our 2021 Kinder students will be limited to one visit; Tuesday 24 November at 10am. In saying that, we are planning to ensure a smooth and helpful transition to school for our newest school members.

### Athletics - Sporting Schools

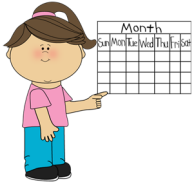

Our sporting schools program is operational again during Term 4 and we are extremely happy to announce that Denis Pitt will once again coordinate the 5 session program. Denis will provide expert advice for our students in a range of athletics activities. We are hopeful of scheduling a carnival later in the term; Denis' tips will be invaluable in preparing our students for action!

## **PBL**

**For the remainder of Term 4....**

We will be revisiting all settings taught throughout the year, outlining all of the desired behaviours in each setting.

This week we will be reminding the students about lining up correctly and using paths, ramps and stairs in a safe way.
